Pharmaceutical Industry

Bhagwati Organics Private Limited (BOPL) is a part of the prestigious Bhagwati Group. In 1988, Bhagwati Group was founded by the resourceful, imaginative & talented Mr. Shailesh K. Patel. Over the past 30 years, the company has progressed and evolved into a diversified range of operations.

Bhagwati Organics Private Limited

Intermediates

In 2006, under the leadership of the enterprising Mr. Girish Patel, the company further expanded its operation. It was his ambitions that aviated Bhagwati Organics Private Limited to a newer position & height. Since then the company has growing by leaps and bounds.
